

Week 12 | Becoming Like Jesus: Generosity Discipleship Groups

As you start your discipleship group, pray for each other. Pray that God would continue to teach and transform us as we go through these Spiritual practices. Pray that your group would feel the freedom to be honest about where you have grown this week and where you have faced difficulties.

- **How does the knowledge that all you have belongs to God affect your life?**
- **How is generosity natural for you? How is it difficult?**
- **How do you think God wants to transform you personally in the area of stewardship and generosity?**
- **Did you gain any insight or hear anything in particular from God through the exercises this week?**
- **When have you given something that brought you great joy? Why did it touch you so deeply? How might you continue to give in the area that gives you joy?**
