

Week 14 | Praying With Faith

Discipleship Groups

As you start your discipleship group, pray for each other. Pray that God would continue to teach and transform us as we go through these Spiritual practices. Pray that your group would feel the freedom to be honest about where you have grown this week and where you have faced difficulties.

- **Did you gain any insight or hear anything in particular from God through the exercises this week?**
- **How is praying with faith natural for you? How is it difficult?**
- **We tend to pray a lot in church and in our personal lives; how does faith play a role? In what ways do we tend not to pray with faith? In what ways do we pray with faith?**
- **When you pray in faith and see the results, does it affect you, or do you tend to forget?**
- **How do you think God wants to transform you personally in the area of praying with faith?**
