

DOING THE WORKS OF JESUS

CELEBRATING AND EMPOWERING WOMEN

Week 15 | Celebrating and Empowering Women

Discipleship Groups

As you start your discipleship group, pray for each other. Pray that God would continue to teach and transform us as we go through these Spiritual practices. Ask that God would give a spirit of harmony and understanding to your group as you seek to encourage spiritual gifts in each other.

Questions for men:

- What are some ways that you encourage women in your life to develop their God-given gifts and pursue their callings?
- What more do you feel God is calling you to do in this area?
- How are we, as men, uniquely able to empower and value the women in our church and families?

Questions for women:

- Do you feel confident and equipped to use your Spiritual gifts?
- If you answered yes to the last question: What has helped you in that? If no, how may God be calling you to be equipped and empowered?
- How has Jesus validated your worth or calling even at times when you felt insecure, reduced, or belittled?
- How could you encourage and strengthen other women to grow and use their gifts?

Take a few moments to name and affirm the Spiritual gifts and callings you see in each other. As you close, pray that God would fan these gifts into flame and give you opportunities to minister and to lead.
