

# BECOMING LIKE JESUS Servanthood

## Week 8 | Becoming Like Jesus: Servanthood Discipleship Groups

As you start your discipleship group, pray for each other. Pray that God would continue to teach and transform us as we go through these Spiritual practices. Pray that your group would feel the freedom to be honest about where you have grown this week and where you have faced difficulties.

- How is practicing servanthood in community natural for you? How is it difficult?
- How do you think God wants to transform you personally through the practice of servanthood?
- Did you gain any insight or hear anything in particular from God through the exercises this week?
- Are you tempted to serve only in ways that feel heartwarming or seem more important? How so?
- What are some ways you can “look out for the interests of others in your daily life?
